A Living Classroom

Nature-Based CAS Program– Sample Itinerary

DAY 1-3 🌱 CONNECT WITH THE FARM

Day1 - Arrival & Welcome

- Arrival in Bangalore. Travel to Chiguru Farm in a Private Coach
- Traditional Welcome, Farm-fresh Lunch and/or Dinner served on Banana Leaf
- Relax

Day2 – Activity 🏃

- Guided farm tour with fruit picking, tree climbing, animal feeding, etc
- Learn about Organic/Natural Farming and understand its importance
- Play rural games
- Camp fire with BBQ, dinner

Day3 – Activity 🏃

- Full day of Hands-on, seasonal farm work – tree planting, making vegetable beds and sowing seeds, harvesting, preparing organic concoctions etc

Every activity is thoughtfully designed to help participants explore, discover, create, and connect with nature.

Nature-Based CAS Program– Sample Itinerary... contd

▷ DAY 4-6 🧡 CONNECT WITH THE COMMUNITY

Day4 – Community Service 🧑🧑

- ▷ Village Tour, interaction with the villagers, understand the village economy
- ▷ Visit the local school and interact with the children. Teaching sessions
- ▷ Rangoli (or Mehendi/Henna) Workshop in the village
- ▷ Discussion with the village elders regarding waste management and/or water conservation
- ▷ Lunch in the house of one of the villagers

Day5 – Local Immersion 🧑🧑

- ▷ Visit the weekly farmers market (on Fridays)
- ▷ Visit to a minor irrigation dam and understand the rural sustainability
- ▷ Learn local indoor games around the camp fire in the evening

Day6 – Community Service 🧑🧑

- ▷ Visit the Reserved Forest around. Visit to the waterfall. Opportunity for a refreshing time in the waterfall (subject to safety and weather conditions)
- ▷ Plogging/Cleaning activity. Educate the tourists about the importance of cleanliness.

Nature-Based CAS Program– Sample Itinerary... contd

What Educators & Parents Say

Principal, 21K School

“

The experience you curated was truly wholesome and thoughtfully designed... The hands-on engagement, storytelling, and warmth made the learning both meaningful and memorable.

”

Parent

“

She loved every moment—from pottery and the tractor ride to feeding the calves and learning about different plants... We look forward to visiting again.

”

Empowering young people to become compassionate leaders, responsible citizens, and lifelong learners—through meaningful experiences in nature.
